SAVE THOSE PULL TABS!

The Moose Lodge has been saving aluminum can pull tabs to benefit the Ronald McDonald House that provides lodging for families of very ill children who are hospitalized so that family members can spend as much time as possible with the child. In September we turned into the Moose Lodge over 7 pounds of pull tabs!

Keep saving tabs, this is an ongoing project.

WE HAVE THE

We can rebuild it. Special thanks to Dustin Benson, a freshman at Windward High School and Troy's son, who is volunteering his time to help us get the newsletter revamped and published.

AERIE PRESIDENT'S MESSAGE

I would like to apologize for the newsletter not going out for the months of August and September. There were some problems that have now been resolved, and the newsletter is back on track again for the rest of the year. Due to the fact that the newsletter was not published, a lot of you were unaware that the Eagles Picnic was held on September 10th at the Deming Log Show grounds. For those of you that found out through word of mouth, thank you for attending for those that missed it, please come next year and eat twice as much. We had a great time, some more than others.

The food was excellent and it was nice to spend time and talk to all of you that made it out. A special thanks to those of you that helped with the BBQ, bringing items out, helped with the clean up and those that helped make the keg more manageable at the end of the day.

As we go into the latter half of the year, I would like to get some input from all of you, the member's, as to what you like, dislike and would suggest we change at the club. Please remember

that everyone has an opinion, so this is to get some general insight, not to make a lot of changes. You can mail these suggestions back to the club to My Attention, drop them in the comment box at the club or email them Directly to me at kerrynerin@comcast.net. Everything that is submitted will be confidential. If you do not want to add your name, that is fine, we just want the input. Thank you in advance for your comments.

Please help us make the club better and stronger than ever. Come down and have a burger on burger night, join us for a steak on steak night, of course, come in for a meeting on the first and third Thursday of every month at 7:30 pm. If you have friends interested in the club, bring them down, sign them in, and get them interested.

I look forward to seeing you all at the Club soon.

Worthy President,
Kerry Bozarth

AUXILIARY PRESIDENT'S MESSAGE

The Auxiliary Anniversary Dinner scheduled for September 24 was cancelled until further notice because of a bunch of problems. The pins didn't arrive. The invitations weren't mailed, and we didn't have a September newsletter. We hope to re-schedule in January. Meanwhile, you'll find in this newsletter a list of the 40 women who are celebrating anniversaries this year.

I want to say something about disasters and charities. Whenever a disaster like Katrina strikes in our World, we tend to jump on the giving wagon at the expense of our own communities. By all means we should give to Katrina victims, but remember in the coming Winter months that our own community still needs the sustained help it depends on us. Don't forget our local food bank, Salvation Army, Red Cross, and other organizations this year.

Madam President,
Konni Maier
