KARAOKE NIGHT

FRIDAY, January 19

WITH DAN DEMANN

Karaoke Night with Dan is very popular. He is quite the entertainer. He is paid entirely by donation from the Members. This is a great and fun night for Eagle members, not to mention profitable for the lounge. If you sing, by all means bring your talent to the Club. If you don't sing, by all means come and be entertained.

Another year has come to a close. 2006 saw the youngest President in FOE 31 history, a start on an on going painting project, many new members to our club and a once a month Karaoke night which has proved to be profitable. Ups and downs happen in any club and with any luck this year we will have more ups than downs. One of our newer members who is also a member at Granite Falls has donated two credit card machines for the lounge. The service to run these is being researched now and everyone should be able to enjoy the convenience of using plastic in the lounge shortly.

I encourage all members to drop me a line on any improvement that we can start working on in our Club. I have heard many good ideas and some have been implemented such as having all the chairs in the lounge match. I thought this was a great idea, low cost and it would make things look better. Any suggestions like this or even on a grander scale are greatly appreciated. Don't know how to get a hold of me? Try these ways and, if all else fails, I am always at the meetings on the first and third Thursdays at 7:30 pm. Our new website at www.foe31.org has a suggestion box that I have access to, drop me a line in the lounge or even send a letter to the club (1125 N. Forest; Bellingham WA 98225). I will get back to you personally on all suggestions. I am running out of suggestions to work on. You have the right as a member to voice your opinion to your Officers. Please do so. Volunteers are always needed on bigger projects, of course. Any volunteer help you can offer is always appreciated by all our members. It is our Club and it is in need of some repairs. As a rule I will work on smaller less expensive projects first, but somebody might have a great idea that I haven't heard of yet and these ideas are what I need to better our Club in the rest of my term and beyond. I wish you all the best in the following New Year and hope that you will take the time to send in suggestions.

Faternally yours,
 Jack Maier
 Worthy President
